

4.34 Climate Commission's 2013 report entitled *The Critical Decade*

This sub-section contains the Cover page, inside cover, table of contents, preface, key findings, introduction and first two chapters of the Climate Commission's 2013 report entitled *The Critical Decade*. It is available at: <http://www.climatecouncil.org.au/uploads/b7e53b20a7d6573e1ab269d36bb9b07c.pdf>

The first two chapters falsely purport to present climate science. They contradict empirical evidence and do not present empirical evidence that carbon dioxide from human activity causes global warming or global climate variability/change.

Including this page, this sub-section totals 47 pages.
