The Hon Mr. Angus Taylor  
PO Box 6022  
House of Representatives  
Parliament House  
Canberra ACT 2600

Dear Mr. Taylor:

The enclosed copy of my letter to Mr. Tony Abbott and the enclosed copy of a recent letter to my representative in the House of Representatives, Mrs. Jane Prentice (Liberal – Ryan, Queensland) compile facts from eight years investigating climate and even I was stunned with what the latter revealed about the Coalition's behavior. I please request your assistance in helping Mrs. Prentice to fulfill her responsibilities and to assist Mr. Abbott to restore integrity to the Liberal Party.

I hope that the irrefutable logic and facts in my letter to Mrs. Prentice will stimulate you to encourage fellow Members of Parliament to recognise the dangers to governance and sovereignty in the current Coalition policy, and to then restore integrity to parliament and to restore Australian sovereignty.

I am available to meet with you to discuss this and to be questioned on the documented data and facts.

Yours sincerely,

*Originally personally signed*
