Senator Bob Day  
The Senate  
Parliament House  
Canberra ACT 2600

Dear Bob:

The attached copy of a recent letter to my representative in federal parliament, Mrs. Jane Prentice (Liberal) compiles facts from eight years investigating climate and even I was stunned with what it revealed about the Coalition's behavior. As your name is mentioned in the letter I am providing this copy as a courtesy.

I hope that the letter's irrefutable logic and facts will stimulate you to encourage fellow Members of Parliament to recognise the dangers to governance and sovereignty in the current Lib-Lab-Greens policy, and to then restore integrity to parliament and to restore Australian sovereignty.

I am available to meet with you to discuss this and to be questioned on my evidence.

Yours sincerely,

*Originally personally signed*
