Senator The Hon James McGrath
The Senate
Parliament House
Canberra ACT 2600

Dear Senator McGrath:

The enclosed copy of a recent letter to my representative in the House of Representatives, Mrs. Jane Prentice (Liberal – Ryan, Queensland) compiles facts from eight years investigating climate and even I was stunned with what it revealed about the Coalition's behavior. As discussed in the letter I am one of your constituents and now please request your assistance in helping Mrs. Prentice fulfill her responsibilities to all constituents.

I hope that the letter's irrefutable logic and facts will stimulate you to encourage fellow Members of Parliament to recognise the dangers to governance and sovereignty in the current Liberal policy, and to then restore integrity to parliament and to restore Australian sovereignty.

I am available to meet with you to discuss this and to be questioned on my evidence.

Yours sincerely,

Originally personally signed

Malcolm Roberts
