Dear Mr. Howard:

The enclosed copy of a recent letter to my representative in the House of Representatives, Mrs. Jane Prentice (Liberal – Ryan, Queensland) compiles facts from eight years investigating climate and even I was stunned with what it revealed about the government's behavior. As your name is mentioned I give you the courtesy of a copy.

I hope that the letter's irrefutable logic and facts will stimulate you to encourage fellow members of the Liberal Party and particularly Members of Parliament to recognise the dangers to governance and sovereignty in the current Lib-Lab-Greens policy, and to then restore integrity to parliament and to restore Australian sovereignty.

I am available to meet with you to discuss this and to be questioned on my documented data and facts.

Yours sincerely,

*Originally personally signed*
