Dear Senator Canavan:

Please refer to the enclosed copies of my recent letters to Mrs. Jane Prentice MP and to Senator The Hon Ian Macdonald.

After eight years investigating climate claims even I am stunned with the compilation of material in one place being the letter to Mrs. Prentice. In support of my conclusion please refer to the enclosed copy of my report to Senator Simon Birmingham and The Hon Bob Baldwin MP in response to a letter from the senator.

I request that you please provide assistance in restoring integrity to science and truth to policy and that you encourage Mrs. Prentice by way of supporting her in fulfilling her responsibilities to parliament and to Australia.

Further to the reply dated 21 January 2016 from your Diary Manager Ms. Jenon Longland, I look forward to discussing as soon as possible the topics listed in my email to you on 19 January 2016 and the topics discussed in my letter to Mrs. Prentice and that I hope are of importance to you.

Yours sincerely,

Original personally signed

Malcolm Roberts
