Attached is my letter to Greg Combet dated April 2nd, 2013. It replies to his letter dated March 13th, 2013. My letter details unfounded and false claims by Greg Combet's department corrupting and grossly misrepresenting climate science. It was copied to the Attorney-General, Prime Minister and other senior government MPs.

Extensive documented evidence is available here:

I'd be pleased to meet with you to discuss documented corruption of climate science.
