Dear Mr Roberts

Thank you for your letter dated 4 February 2013 regarding climate change and the carbon tax.

I have read with much interest your review, "*CSROh! Climate of deception? ...or the first step to freedom?*"

Should the Coalition be privileged to be elected as the next government of Australia, Tony Abbott has pledged a Coalition government's first priority will be to repeal the carbon tax.

I have forwarded on your letter and review to shadow Minister for Climate Action, Environment and Heritage, the Hon. Greg Hunt, for his information.

Once I receive a response I will contact you again.

Thank you for writing to me on this important issue.

Best wishes
