Dear Mr. Cubby:

LAWFUL NOTICE OF ACCEPTANCE, PUBLICATION AND UTTERANCE

**SENT BY REGISTERED POST WITH DELIVERY CONFIRMATION
WITHOUT PREJUDICE AND IN GOOD FAITH**

This notice is in relation to my Notice of Default dated Thursday March 28th, 2013, copy attached. By way of judgment of default you have accepted my claims to be true. By your failure to specifically rebut my report entitled '*CSIROh! Climate of Deception? Or First Step to Freedom?*' all parties agree that there is no fault in my report and appendices encompassed.

Further by actions and statements all parties have agreed that you have failed to provide empirical scientific evidence and logical scientific reasoning for the claim that human carbon dioxide (CO2) caused, causes or will cause global atmospheric warming (aka climate change). Further, all parties agree that you cannot provide empirical scientific evidence and logical scientific reasoning of causation by human carbon dioxide.

Similarly, all parties agree that you cannot provide evidence that The Galileo Movement or any associated person is anti-Semitic and that your implied associated claims published at various times on Twitter and elsewhere are false.

This notice and utterance will be presented to all Members of federal Parliament as actual facts. To ensure accountability and transparency this notice will be posted publicly on the Internet at <http://www.conscious.com.au/letters.html>.

Yours sincerely,
