PO Box 225
Dickson ACT 2602

Dear Dr. Clark:

LAWFUL NOTICE OF ACCEPTANCE, PUBLICATION AND UTTERANCE

**SENT BY REGISTERED POST WITH DELIVERY CONFIRMATION
WITHOUT PREJUDICE AND IN GOOD FAITH**

This notice is in relation to my Notice of Default dated Monday March 11th, 2013, copy attached. By way of judgment of default you have accepted my claims to be true. By your failure to specifically rebut my report entitled ‘*CSIROh! Climate of Deception? Or First Step to Freedom?*’ all parties agree that there is no fault in my report and appendices encompassed.

Further by actions and statements all parties have agreed that both you and CSIRO have, separately and together failed to provide empirical scientific evidence and logical scientific reasoning for the claim that human carbon dioxide (CO₂) caused, causes or will cause global atmospheric warming (aka climate change). Further, all parties agree that both you and CSIRO cannot provide empirical scientific evidence and logical scientific reasoning of causation by human carbon dioxide.

This notice and utterance will be presented to all Members of federal Parliament as actual facts. To ensure accountability and transparency this notice will be posted publicly on the Internet at <http://www.conscious.com.au/letters.html>.

Yours sincerely,

Original personally signed
