Dear Cory:

Thank you for your letter dated March 4th, 2013. I appreciate your interest in my report.

Last Sunday you were sent a copy of my recent exchange of correspondence with Greg Combet. It will be of further interest to you. I hope it encourages action to protect taxpayer funds. Greg Combet's department grossly misrepresents climate and science.

The Opposition's Direct Action policy lacks integrity. Its basis contradicts empirical scientific evidence. I hope you share my desire to restore national governance and sovereignty and to protect personal freedom as detailed in my report.

I'd be pleased to meet with you to discuss correspondence with Greg Combet. I can reveal the government's vulnerability and ways to restore the opposition's integrity on climate.

Yours sincerely,
