Friday, April 19<sup>th</sup>, 2013

Senator the Hon John Faulkner  
The Senate  
Parliament House  
Canberra ACT 2600

Dear Senator Faulkner.

Further to your letter dated February 20<sup>th</sup>, 2013 and speech dated September 11<sup>th</sup>, 2012 and my letter dated April 12<sup>th</sup>, 2013 please refer to the attached succinct article by Tim Wilson.

Please note the Chicago Climate Exchange's collapse during President Obama's first term despite his prior involvement in establishing that exchange as a Joyce Foundation Director. Please note the collapse despite Al Gore's company being the fifth largest shareholder and despite the large shareholding of arguably the world's most powerful bank: Goldman Sachs.

The connections will likely intrigue you when reading books given you in my package dated February 4<sup>th</sup>, 2013. Corruption is documented as rife in the EU's so-called '*trading*' scheme. It's inherent in these non-market schemes. Please see Appendix 14 of my *CSIROh!* report.

Our country and people need to be extricated immediately from all such schemes.

Yours sincerely,
