Dear Mrs. Andrews:

Thank you for your letter dated February 14<sup>th</sup>, 2013 and your appreciation expressed therein.

Enclosed is a copy of my recent exchange of correspondence with Greg Combet. I trust you will appreciate its significance and hope it assists you in fulfilling your responsibility to protect taxpayer funds. Greg Combet's department grossly misrepresents climate and science.

The Opposition's Direct Action policy lacks integrity. Its basis contradicts empirical scientific evidence. That is explained in detail with supporting empirical scientific evidence encompassed in my report sent to you last February. I hope you share my desire to restore national governance and sovereignty and to protect personal freedom as detailed in my report.

I'd be pleased to meet with you to discuss correspondence with Greg Combet. I can reveal the government's vulnerability and ways to restore the opposition's integrity on climate.

Yours sincerely,
