Dear Beth.

Thank you for your email and letter attached thereto.

During our phone conversation on Monday May 6th, 2013 you advised that one of my options now is to submit another separate request for release of documents under FOI provisions.

Based on my experience to date it will be vastly simpler and easier for CSIRO to comply.

Please advise whether or not I may submit my new request by email or must it be by Australia Post?

Regards,

Malcolm
