Senator Concetta Fierravanti-Wells  
The Senate  
Parliament House  
Canberra ACT 2600

Dear Senator Fierravanti-Wells:

Enclosed herewith are copies of recent correspondence with employees and directors of the Australian Broadcasting Corporation.

I hope they're of assistance in holding the ABC's Managing Director accountable and restoring the ABC's compliance with its charter.

You were sent a copy of my report entitled *CSIROh!* with my letter dated February 4<sup>th</sup>, 2013. Its comprehensive appendices include appendices 13 and 13a-13g documenting ABC bias and misrepresentations. Appendices contain quantitative data and are available here:

<http://www.conscious.com.au/CSIROh!.html>

Australian taxpayers need a full impartial inquiry into the ABC's handling of global warming, climate change, the carbon tax and the ABC's quantified bias on these topics.

I hope my report with its appendices and these letters is of assistance to you in fulfilling your parliamentary responsibilities. I am available to discuss this matter with you.

Yours sincerely,

Malcolm Roberts
