180 Haven Road
Pullenvale QLD 4069

Dear Mr Roberts

This letter is response to your correspondence dated 11 February 2013 and the document enclosed therein which make, amongst other things, accusations in regard to the integrity of CSIRO.

CSIRO categorically rejects your claims.

CSIRO continues to build upon a proud history of more than 80 years of science excellence. Our atmospheric research is ranked in the top 1% of world research organisations and is widely respected and trusted by the Australian community

Yours sincerely

A handwritten signature in blue ink, appearing to read "A Johnson", with a long horizontal flourish extending to the right.

Dr Andrew Johnson
