Dear Ms. Middleton:

Re: Freedom of Information request 30/5693

Further to your letter dated March 8th, 2013 and following subsequent discussion with the Bureau's FOI Coordinator Patrick Ferry on Monday, March 18th, 2013 I confirmed my decision to make a revised request under FOI legislation.

The clarity of your letter dated March 8th, 2013 and Patrick's assistance made our discussion straightforward. As I'm sure you've been advised, Patrick and I were able to meet your needs and my needs.

Attached is a copy of emails exchanged with Patrick and confirming revisions to my request as agreed with and endorsed by Patrick.

Yours sincerely,

Original personally signed

Malcolm-Ieuan: Roberts.
