The Hon Greg Combet, MHR
Minister for Climate Change
PO Box 6022
House of Representatives
Parliament House
Canberra ACT 2600

Dear Mr Combet:

RE: Legal notice hereby given by Registered Mail with Delivery Confirmation Receipt

Please refer to the accompanying copy of my letter to Professor Ross Garnaut.

The letter raises serious issues that expose your stated position on global warming as unfounded. Your core claim that human production of carbon dioxide causes warming is unfounded and false. It contradicts science and Nature.

I will be pleased to discuss my summary and my letter to Professor Garnaut with you. I welcome an invitation to do so.

Yours sincerely,
