The Hon Robert McClelland, MP  
Attorney-General  
PO Box 6022  
House of Representatives  
Parliament House  
Canberra ACT 2600

Dear Mr McClelland:

**Third Supplementary Package of Material to A Formal Complaint and Request to Investigate Matters Including Apparent Ministerial Fraud or Irresponsible Negligence**

Further to my three previous submissions on this vital matter, being my initial formal complaint followed by two supplementary submissions, enclosed is a third supplement of relevant material to form part of my complaint.

Registered Post confirmations have been received verifying receipt of all three submissions by your department. Electronic copies of my earlier submissions were acknowledged by your department. Even the mainstream media is now widely discussing UN IPCC misrepresentations and fraud. I please request a paper letter advising action that you, as our nation's 'first law officer', will be taking to thoroughly investigate my complaint.

With due respect, my frustration triggered by your apparent lack of action on this matter from both a legal perspective and in fulfilling your responsibilities as a member of parliament, causes me to wonder whether you appreciate the meaning of the word 'accomplice'.

Yours sincerely,

Malcolm Roberts  
BE (Hons), MBA (Chicago)  
Fellow AICD, MAIM, MAusIMM, MAME (USA), MIMM (UK), Fellow ASQ (USA, Aust)

In June, 2009 as part of a series of e-mails exposing the UN IPCC I sent all federal MP's a declaration of my interests. Note: I receive no remuneration for my entirely voluntary work exposing climate alarm falsities. If requested I will be pleased to again send you my declaration.
