The Hon Robert McClelland, MP  
Attorney-General  
PO Box 6022  
House of Representatives  
Parliament House  
Canberra ACT 2600

Dear Mr McClelland:

**Fourth Supplementary Package of Material to A Formal Complaint and Request to Investigate Matters Including Apparent Ministerial Fraud or Irresponsible Negligence**

Further to my four (4) previous submissions on this vital matter, being my initial formal complaint followed by three supplementary submissions, I now submit this fourth supplement. It has been made necessary by the burgeoning exposure of UN IPCC fraud. This submission forms part of my original complaint.

With due respect, your apparent lack of action on this matter from both a legal perspective and in fulfilling your responsibilities as a member of parliament triggers my frustration. I wonder whether you appreciate the meaning of the word 'accomplice'.

Please advise action that you, as our nation's 'first law officer', will be taking to thoroughly investigate my complaint.

Yours sincerely,

Malcolm Roberts  
BE (Hons), MBA (Chicago)  
Fellow AICD, MAIM, MAusIMM, MAME (USA), MIMM (UK), Fellow ASQ (USA, Aust)

In June, 2009 as part of a series of e-mails exposing the UN IPCC I sent all federal MP's a declaration of my interests. Note: I receive no remuneration for my entirely voluntary work exposing climate alarm falsities. If requested I will be pleased to again send you my declaration.
