The Hon Malcolm Turnbull, MHR
PO Box 6022
House of Representatives
Parliament House
Canberra ACT 2600

Dear Mr Turnbull:

RE: Legal notice hereby given by Registered Mail with Delivery Confirmation Receipt

Enclosed is a summary of findings from four (4) years' research into global warming. It reveals that your claim that carbon dioxide drives climate is unfounded and false. Your claim contradicts science and Nature. UN IPCC reports are fraudulent.

If you continue advocating action against carbon dioxide from human activity you will be abetting fraud and lying. My understanding is that you will be in contempt of parliament. Will lying to the people and industry make you personally legally liable for losses incurred due to your falsities?

I will be pleased to discuss my summary with you. I welcome an invitation to do so.

Yours sincerely,

Original personally signed
